## HOW TO GIVE 'FREE' MONEY!

We appreciate any donation you make to Animal Lifeline, but there is a simple way to greatly increase your donations without it costing you an extra penny!

In essence, if you are a UK taxpayer and you make a donation to Lifeline, for every £1 YOU give, the Government will give us an additional 28p.

You don't pay any extra - the Chancellor gives us the money!

A £10 donation becomes £12.80, a £100 donation becomes £128, and so on.  
This can really add up and boost our funds over the months.

To take part in Gift Aid, all you have to do is sign this once-only form which confirms you are a UK taxpayer and you want your current and future donations to be treated as Gift Aid. And that's it!

Gift Aid is a very important way for charities to gain extra funds, so do please consider joining in.  
All you have to do is sign the form below and return it to Animal Lifeline.
